

LYNNE LEAKEY SAFARI COLLECTION 2012
with Maniago Safaris

WILDLIFE, WILD WOMEN & CULTURAL CONNECTIONS
03rd to 14th June 2012

This is a unique opportunity to combine the fascinating culture and traditions of Kenya with a classic wildlife safari. Meet local personalities - mainly women - whose projects and activities have had a huge positive impact on local communities. Lynne Leakey will escort the tour throughout, sharing her years of knowledge and experience. She will give fireside chats on topics including the native peoples, wildlife and the cultural/political dynamics of today's East Africa. Come join Lynne on this very personal safari.
